I am out of the office on travel most of next week. Can you meet the following week, the week of August 3? Have you spoken to Chromalloy about meeting? I am generally available in August if that week is not available.

Dear Amy,

Would you and Brian Mueller be available to meet with me, the legal representative for the Dean entities, our consultant, and perhaps representatives of Chromalloy and the Deans, some day next week or the week of July 27, to go over the Site and EPA's proposed Consent Decree and Statement of Work?
